

Rotary Club Hears Varied Program

Hamlin Rotary Club met in its usual Wednesday luncheon at the Drive-Inn Cafe and heard a talk on water and a musical number by Mr. and Mrs. J. D. Riddle.

Mr. and Mrs. J. D. Riddle, who are conducting a music school at the local Baptist Church gave a rendition of "Old Ship of Zion." Mrs. Riddle accompanied Mr. Riddle at the piano.

John T. Key, local automotive parts man, gave a talk on "Fantasy of Water". He stated that water was essential for all life and there was no real shortage only that of insufficient distribution. Continuing he stressed the possibilities of Hamlin for industrial facilities utilizing water.

A report by Wesley Nail, county chairman of the TB X-Ray drive, told of the success of the survey. He said that approximately 3,700 pictures were made and Hamlin's number was 1,626.

Visitors were: J. L. Hill of Stamford, Fred R. Higinbotham of Abilene, Randy Anderson of Abilene, F. A. Lowe also of Abilene, O. G. Harvey of Hamlin was guest of C. G. Green.

TO RECEIVE BA.

Announcement was made to The Herald by the University of Texas, Austin that Marion Stanley Saver will receive his Bachelor of Arts degree at the close of the summer session, August 31.

Lions Hear Talk On T-B Program

Lions Club of Hamlin met in regular session Tuesday and were addressed by Mr. Luke, head of the tuberculosis survey unit which has engaged in x-ray of Hamlin citizens at the time.

Luke explained the functions of his unit in the combat against the spread of contagion resulting from tuberculosis and urged that citizens of the state make an earnest effort to be examined through x-ray for traces of the disease at yearly intervals.

He particularly stressed the necessity for this yearly examination rather than the two-year interval which had been erroneously prescribed. His explanation was that contagion can become serious in 12 months time and a longer period of exposure to the ravages of the disease can be fatal.

A development in the experience of the state health department in this service is that an average of two per cent of the persons examined has been discovered to have the disease.

Processes followed by his office call for a "reading" of the x-ray negatives by number reference and he informed his listeners that a qualified specialist is capable of recognizing the existence of the disease in thirty seconds time.

It is customary to advise the family doctor of those who show indications of infection and a determined effort is made to isolate these cases to prevent further spread.

It was explained that a portion of the registration card is devoted to the purpose of notifying the person examined if there is no indication of the presence of the tuberculosis germ.

Interesting to note in connection with his talk was the fact that tuberculosis is seldom present in children under 15 years and also adults over 50. Reason for this was explained by Luke as death would usually have resulted prior to the patient reaching his fiftieth year.

Luke particularly praised the manner in which Hamlin citizens had responded to the campaign of his unit and said that a pleasant response was reflected in the manner in which he conducted his work.

Guests present were Mr. and Mrs. J. D. Riddle, who are conducting a singing service at the First Baptist Church.

GOT OLD TOYS—

According to a report from leaders of the Hamlin Boy Scout Troop 43 all old toys will be picked up for repair for Christmas gifts to the unfortunates.

People may gather the toys up and leave them on the front porch of Mrs. L. S. Magee, the report continued. The Herald will carry further information at it is obtained.

Hamlin Sponsors Two At Sweeney Diabetic School

In a recent report made by Max Bentley, to a Herald reporter, Hamlin will sponsor two children at the Sweeney Diabetic Foundation for Children at Gainesville.

Cost of each child at the camp is \$300, each and the amount was at about the three-fourths mark at time of the report.

Bentley, an executive secretary, told of plans, aims and purposes of the newly-opened camp.

The fundation was opened June 12 with an enrollment of 45 children, representing six states. One-half of that number were of poor means and unprivileged.

At the camp they are instructed on how to give themselves injections and are given a diet and taught special exercises formulated for them.

The camp, never self-supporting, is a non-profit organization and is designed for diabetic children of any race. A drive for \$150,000 is being conducted for construction of a research laboratory to study the exact cause of diabetes as well as to raise the camp enrollment capacity to 150 children.

Dr. J. Shirley Sweeney, diabetic specialist, is in charge of the camp.

In concluding his report, Bentley said, "There are more than 175,000 of that number are children."

"Runt" McCoy Wins in Start for Swatters

Surprise starter for the Sweetwater Swatters in Longhorn league play Wednesday night, "Runt" McCoy gave the Ballinger Cats a look at his curve ball and was returned as winner in an 8-2 ball game.

McCoy had the Cats shut out until the ninth inning when the opposition came through with a pair of tallies. Prior to that inning, McCoy had scattered six hits.

McCoy retired eight Cats by strikeouts. He was not available for a statement as to whether he will continue to pitch for the Swatters.

Apollo Boys Active As Singing Group

Announcement is made of the boys comprising shdlu shrdlu nu personnel comprising the Hamlin Apollo Boys Choir which has been organized under the guidance of Joe Clements.

The group has been holding a series of regular practice sessions and Clements is very enthusiastic regarding the quality of some of the voices which have come to light. A portion of each session is devoted to a refreshment period and this adds to the zeal the boys exhibit.

The boys and their ages are listed as follows:

Charles Brewer, 8; Bob Carter, 10; Jay Cunningham, 11; George Deel, 7; Jo Allen Deal, 9; Billie Wayne Hallmark, 9; Lynn Herndon, 9; Sammie Hodges, 8; Clyde Wilson Hodnett, 8; Jerry Fred Jay, 11; Dawl Johnson, 13; Donald Johnson, 13.

Ned Moore, Jr., 7; Carl Weaver, 10; Clarence Parker, 12; Ray Rivera, 12; Roland Rivera, 8; John Ed Scott, 8; K. T. Scott, 13; Brian Shelburne, 11; Larry Upshaw, 7; Billy Charles Goodman, 6½ and Gene Steele, 11.

Football Training Starts on Schedule

Candidates for the football team which will represent Hamlin's Pied Pipers this fall answered the call of Coaches Burditt and Townsend Tuesday morning.

Forty-eight boys stepped out for the first gathering with seven additional candidates accounted for. Immediate work was begun with the large group and individual candidates are being singled out for personal attention in the teaching of fundamentals of the game.

The coaches feel that it is too early to gauge the potential class of the club and a great deal of work is going to be necessary to smooth out rough spots that are already apparent.

A scrimmage session has been arranged with Munday whereby that team will appear here on Wednesday, August 23 and Pied Pipe ridders will return the visit to Munday on August 30.

The scrimmage is to start at 2:30 and the public is invited to watch the proceedings.

Hamlin coaches expressed the belief that attendance of people of the town at the daily workouts was a source of inspiration to the boys and welcomed this attendance.

Nazarene Church To Begin Service Tonight

According to announcement to The Herald by Rev. Howard Smith, pastor of the local Church of the Nazarene a revival will begin tonight (Friday) and continue through Sunday, August 27.

Services will be under the direction of Evangelist O. C. Weigel of Beaumont. Music will be local talent.

Night services will commence at 8:00 p. m. each night and day services are to begin Monday, August 21 at 10:00 a. m.

The public is cordially invited to hear the services and join in the song services, concluded, Rev. Smith.

Boxing Team Formed More Kids Wanted

Don McGothlin, sponsor, of a local boxing team here is announcing this week for all boys of grade and high school ages to meet each afternoon at the High School Gymnasium at 4:30 p. m.

About 10 or 12 boys are coming out for the contending he stated and parents may watch the workouts anytime.

If the training takes hold here McGothlin expects to have matches with other towns.

Royston Baptists To Start Revival Friday

Royston Baptist Church will begin a Revival tonight (Friday) and continue thru Sunday, August 27, according to a report from Rev. L. R. Stuckey, pastor.

Rev. Beuren Higdon of Nolan will deliver the sermons.

The public is cordially invited to attend the services.

B. V. Newberry Up For Masters Degree

Byron V. "Chink" Newberry of Hamlin will be among 130 to receive Masters Degrees from Hardin-Simmons University, Abilene, Monday, August 21.

Newberry will receive the Master of Arts degree.

Pickup Truck Suffers In Highway Collision

A pickup truck driven by Jack Fletcher was in collision with a heavy oil field truck belonging to E. L. Farmer of Odessa Tuesday night on the outskirts of Hamlin near the McCaulley "Y."

Brakes on the Farmer truck failed to function and the pickup suffered considerable damage as a result of the collision.

Neither driver was injured and no hospitalization was necessary.

It is only 18 miles across the English Channel from Dover, England to Calais, France.

Draft Board Boosts Calls for Physicals

Draft Board No. 77 of Anson, which is composed of Haskell, Shackelford and Jones County forwarded 24 men to Dallas Thursday, August 10 for physical examination.

Thirty-six more men will be sent to Dallas, Thursday, August 17 for physical examination. Sixty will report to Abilene, Tuesday, August 29 for physical examinations and another 60 men will be sent to Abilene, September 12, for physical examinations, continued a report from Mrs. Aubrey Dunwoody, secretary of the board.

In conclusion she stated that, "No induction calls have been received as yet by the board."

Cardinals Defeat O'Brien in Thriller

The victory trail for the Hamlin Cardinals continues unabated after last Friday's game with O'Brien at the local park. No opposition could be found for the local clubs for the Sunday following the O'Brien game nor for the Friday night open date.

O'Brien came to Hamlin with an aggregation they were preparing for a tough series with Turkey and it was felt that the Cardinals would have all they could handle with the charges of Sammy Johnson.

"Runt" McCoy had his curve ball snapping at the O'Brien batters and little could be done with his offerings. He had 10 strikeouts and one base on balls through the seven innings he was on the hill for the Cardinals. Billy Joe Wilson took the mound for the last two innings and had the misfortune to serve up a home-run ball to Truman Nix that was the only mar on his record.

Claybrook and Harrison were serving them up for O'Brien and allowed 10 hits to the Cardinals. Clyde Brown led the assault on these hurlers with three hits of the clutch variety. Vernon Townsend and Runt McCoy came up with a pair of hits each to contribute in the scoring.

Harrison, with his left-handed delivery had better luck than Claybrook in getting the Cardinals out.

The Cardinals are booked for an appearance at Dickens Sunday in an early game and no games have been booked for the coming week definitely. Attempts to bring Paducah here for a series were cancelled when that club disbanded and there is some indication that Tuffy McCoy will be here with his Slayton assembly.

Three-Way Smashup Involves Local Cars

State Highway Patrol officers were called to Hamlin Thursday noon to establish responsibility for a three-way auto crash at the corner of Central Avenue and West Fourth Street.

Investigation revealed that a car driven by Bennie Bernice Elkins of Celotex and the automobile of Bert Whaley, Sr. were in collision which resulted in the Whaley car being driven into the rear of a parked car belonging to Johnnie Crow.

Extent of the damage was not serious and none were injured.

Celotex Conducting Fast Ball Tourney

A new spectator sport being offered at the Celotex diamond is creating considerable interest in Jones County sports circles.

A fastball tournament is the feature attraction and players participating are loud in their praise of the changed conditions. Fastball is played with a small ball and the reduction in size permits batters to get greater distance and infielders can handle the ball to better advantage in fielding and throwing.

In games through Tuesday night the Celotex club was enjoying a substantial lead.

Teams entered were Celotex, Sylvester, VFW of Hamlin and McCaulley.

Officers Seek Prowler As Robberies Go On

"LONG DISTANCE, PLEASE"—"A column up front has been cut off. The Reds are giving them hell. They need cover quickly." That's the sort of call that moved this U. S. 105-mm. howitzer team into action. Heaving shells a distance of approximately seven miles, the weapon drops messages of death among the enemy. And the gun's echoing roars are reassuring words to the ears of imperiled frontline forces in South Korea. The Yank on the telephone at right is checking up on the crew's long-distance effectiveness.

Graham Resigns Post On City Police Force

City Traffic Officer John Graham has tendered his resignation to the Mayor and City Council of Hamlin. Resignation of Graham was to have been effective August 15, but he was prevailed upon to continue at his duties until a time more convenient to Chief J. H. Foster.

Thursday morning found W. M. Beckley being escorted about the streets by Graham to acquaint him with the duties of the position. Beckley comes to Hamlin from Monroe, Louisiana, and will assume his duties immediately.

Les Cowan Changes Plans, Reports to Pros

Big Les Cowan has changed his mind about playing professional football for the Los Angeles Rams in the National football league.

Les had previously announced that he would not appear after being drafted to the Pacific Coast club and had accepted a position in the San Angelo coaching system.

Reports of events leading up to the new decision were sketchy and Cowan has already reported to the Rams.

Cowan is justifiably famous as an all-conference end for the potent McMurry Indians after his graduation from Hamlin High School.

BACK FROM MONTERREY

Mr. and Mrs. Leonard Johnson and Mr. and Mrs. Charles Gardner have returned from a short vacation trip to the Rio Grande Valley and Monterrey, Mexico.

They left Hamlin Saturday and returned Wednesday night.

The Harold Bonners had as their guest this past week-end, Dale Bever of Granada, Colorado. He is a pre-medical major in Boulder University.

J. C. Kirby, an employee of the Continental Oil Company in the seismograph department, was instructed to report to the Navy department in Dallas Wednesday. Kirby had just been discharged from navy duty in February.

Mr. and Mrs. Walter Sanders and daughter, Retha Joyce, are vacationing in Colorado Springs. Sanders jewelry business is being transacted by Miss Almata Norman, sister of Mrs. Sanders, in their absence.

Hamlin Leads All Of County in X-Ray

Results of what intensified work will do was indicated in the success of the drive to enlist candidates for the X-ray examination at the Hamlin Motor Company over the week-end.

A full campaign was conducted to acquaint the people with the advantage of subscribing to the survey and result was that Hamlin almost achieved their goal of examining as many citizens as Anson and Stamford combined.

Business started briskly for the unit on Saturday morning and at the close of the day 788 adults had been x-rayed. This was said by technicians with the unit to be equal to days they had had in much larger cities than Hamlin.

Monday brought 509 applicants for survey and the campaign was closed with examination of 329 on Tuesday. This brought the three-day total to 1626 people for Hamlin. This total compared with approximately 3,700 for the county.

As a result of the outstanding success of the drive locally it is believed that the campaign will be conducted again next year if the machine is available. Heads of the local committee were assured that yearly examination is required to correctly control the spread of tuberculosis and it was through cooperation with the program of the state that contagion is being held to about two per cent of the persons x-rayed.

Oil and Gas Body In Dallas Major Meeting

First major gathering of Texas oil and gas producers since the start of the Korean War has been scheduled in Dallas for October 4-5 when the Texas Mid-Continent Oil & Gas Association holds its 31st annual meeting.

"Since they will be called on for more than 80 per cent of the additional domestic crude oil required for national military security, Texas oil men will use the meeting as a forum for the discussion of ways to provide civilian and military petroleum needs," according to the president, R. B. Anderson of Vernon.

Mrs. Gus Travis was called to Nocona Tuesday by the illness of her mother, Mrs. Tom Evans. She returned Monday.

Hitson Baptists Set Dates for Revival

The Hitson Baptist Church will begin a Revival tonight (Friday) and continue through Sunday, August 27.

Rev. Clarence Powell of Sweetwater will deliver the sermons.

Evening services will begin at 8:00 p. m., with morning services at 10:00 a. m.

The public is cordially invited to attend the services.

Rawlings Speaker In Church of Christ Camp at Lueders

Hamlin was well represented at the fourth annual Church of Christ Encampment held at Lueders Baptist Encampment ground July 31 thru August 4. A total of 141 registered.

Stanley Shipp of Knox City, Alford Waller of Rule, Charles E. Hill of Stamford were in charge of the encampment and elders of the Stamford Church of Christ had oversight of the camp.

Dates of the encampment for next year were set at July 25 thru July 29.

were held during the day and a Bible classes and song drills different speaker spoke each evening. Lee E. Rawlings, minister of the Hamlin Church of Christ, spoke Monday night.

Other attending were: the T. R. Targarts, Laura Curtney, Quata June Miller, Roberta Wilkins, June Wilkins and Marilyn Fletcher.

Mr. and Mrs. John Croslin of Indio, California and Mr. and Mrs. Bob Denison and Laura Denise of Jackson, Tennessee visited Mr. and Mrs. J. P. Morgan last Wednesday. Mrs. Croslin and Mrs. Denison are nieces of Mrs. Morgan.

and left with a threat of injury if there were any outcry.

The entry into the Andrews quarters came between showers of rain at about 5:30 p. m.

Wednesday night brought a report of attempted burglary at the home of Miss Viola Johnson. Reports are that a chair was overturned in the kitchen which awakened Miss Johnson and also put the thief to flight. No details of the findings of the night officer in this case were available.

Wave of Residence Entrys Cause Fear

Citizens of Hamlin are on the alert and nightly vigils are being kept to apprehend prowlers who have made entries in various residences during the past week.

Forerunner of the series of burglaries was the pilfering of a small amount of money from the home of J. E. Johnson ten days ago. The fact that it was so near the completion of the transaction whereby Johnson sold his cafe led to the belief that prowlers thought that the purchase money was on the premises.

Last Thursday night Mrs. Vera Nobles returned to her home at a rather late hour and as she was unlocking the door to her lighted house an attempt was made to seize her. Despite her fright, Mrs. Nobles used a large handbag she carried to beat the intruder and screamed for assistance. Appearance of neighbors on their porches and Mrs. Nobles' resistance frightened the man into a retreat from the scene. Mrs. Nobles feels that she had a clear enough view of the man to identify him.

Saturday night the home of Jess Young was entered as the family slept and purses were ransacked. About \$35.00 was taken in this foray. Peculiarity of this entrance was that members of the family are light sleepers because of the presence of a new baby in the house. Despite this condition, no member of the household was disturbed.

Also on Saturday night the home of Gus Travis was faced with an attempt at forced entry. Miss Doty Travis was at home alone at the time and when an effort was made to force the door officers were called. Chief Foster answered the call and found that the intruder had apparently fled.

Monday night found Othell Murphy, 1053 Southeast Avenue A, ready for his prowler. Murphy was on the upstairs veranda of the premises he occupies and sighted the approach of the burglar. He had a .22 automatic rifle and snapped it at the man as he attempted to pass dogs in the yard which barred him from the front door. The rifle would not fire and the man fled through the back yard. Murphy said that the ease with which the prowler evaded lawn furniture in the back yard indicated thorough familiarity with the premises.

Horace Black and family had guests, welcome and otherwise on Tuesday night. After the family and guests had retired, some on emergency pallets, the thief entered the house and carefully stole all money he could find. Indications are that he passed over two young men in the front room on pallets without disturbing them, taking money from each of their pockets. The bill fold of the guest was stripped of currency and returned to his pocket.

Wednesday afternoon brought a bold chapter in the series of events when Mrs. Lewis E. Andrews, was disturbed in her room at the home of Mrs. J. P. Morrison.

Tracks about the residence indicate that the intruder had surveyed the premises carefully before entry and knew exactly how to e trenaewhere dythugh duh irt to enter and leave the house. Mr. and Mrs. Andrews are new arrivals in Hamlin and the thief made certain that he would not be recognized when he commanded Mrs. Andrews not to turn as he entered the room. He extracted forty dollars from her purse

Dublin Pre-Madison Square Garden Rodeo Aug. 23-26

RODEO GETS ROUGH — Such action as this will be a common sight to all who attend the Pre-Madison Square Garden Rodeo to be held in Dublin, Texas, Aug. 23-24-25-26. The rider pictured here is Harry Tompkins, son-in-law of Everett Colborn, producer of the Dublin show, and

the horse is one of the Lightning C string of bucking broncs, the meanest and toughest rodeo stock in the world. This stock will be used at Dublin this year as it has for the past ten years, before leaving for the New York rodeo. Everett Colborn is on the horse in the background

License Renewals For Fish and Game Due in September

Members of the T&P Coal and Oil Company production department were served specially prepared barbecue at their monthly safety meeting Wednesday night. The meeting was held at the company camp.

"Gat," the slang word for gun comes from the Gatling gun which was used before the modern machine gun.

Chief Clerk of the Game, Fish & Oyster Commission said this week all but eight of the 39 licenses issued by the Commission, including those for hunting and fishing, will be renewable September 1.

License revenue provides a substantial part of the funds for the Commissions activities.

Game Department staff now is busy readying the licenses for

distribution. Actual sales are made generally by game wardens, county clerks and licensed deputies mainly in retail stores throughout the state. Only nine of the 39 kinds of licenses are sold at the Austin headquarters.

Considerable Commission revenue comes from the \$1.65 individual fishing license and from the \$2.45 so-called big game hunting license. The \$2.00 resident hunting license represents only a small part of the collections. This is because the comparatively new big game licenses covers all kinds of hunting, except antelope which calls for a special \$5.00 fee. The report explained that pro-

cessing the license supplies represents a sizeable assignment because they have to be distributed to between 1,800 and 2,000 agencies.

GUNNER'S-EYE VIEW OF KOREA—In a picture postcard setting of misty mountains and a lazily-winding river, an American soldier snatches the silence with his 30-caliber water-cooled machine gun. The G.I.'s manning this gun emplacement in South Korea know only too well that the pastoral setting belies the presence of Reds, who hide in holes and crawl on their bellies across the rugged terrain, ready to mete out death to unwary Yanks.

Business Report For May Optimistic

Texas business activity reached an all-time high in May, as measured by the composite index of business activity, according to reports at the Kenall farm, compiled by the University of Texas Bureau of Business Research.

The May index rose 6 per cent from April to 213 per cent of the 1935-39 base period, with all components registering increases.

Urban building permits, adjusted for price change, soared 51 per cent from the previous month to a level almost six times as high as the prewar level. Crude oil production gained 5 per cent; electric power consumption, crude oil runs to stills, and industrial power consumption 3 per cent each; retail sales adjusted for price change, 2 per cent; and miscellaneous freight carloadings, 1 per cent.

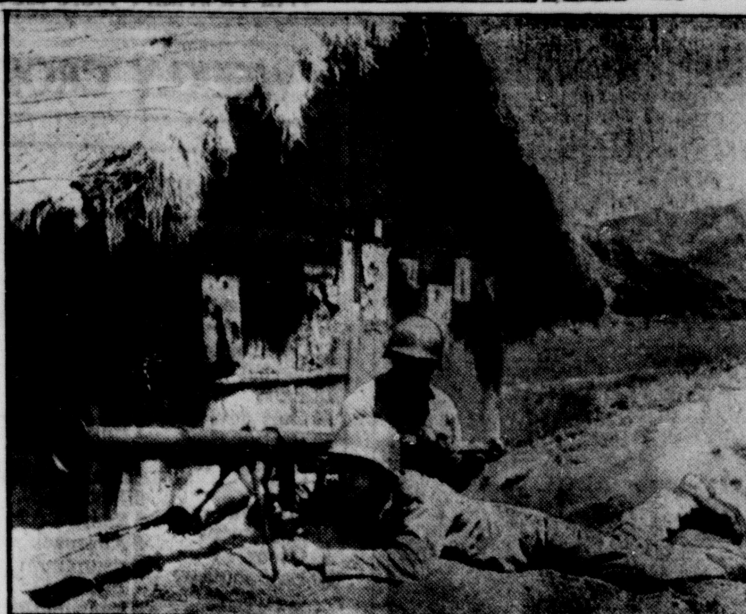

The boom in building continued in Texas during May, with the Bureau's seasonally adjusted index of building permits establishing an all-time high of 1098 per cent of the 1935-39 base period. The Department of Labor estimated that the number of new housing starts in April totaled 126 thousand for the United States, establishing an all-time high record for the second consecutive month. The value of new construction in the United States increased in all categories during May.

The Bureau's index of sales of durable goods stores rose 7 per cent in May, a level 21 percent above May, 1949. Sales of automobiles, furniture, household appliances, and building materials continued at record-breaking levels.

The index of bank debits in Texas cities rose 6 per cent to set another all-time high, at a level 19 per cent above a year ago and 10 per cent above the highest point reached during 1948.

Industrial production in Texas showed the same pattern as other phases of business during May, with the Bureau's seasonally adjusted index of industrial power consumption up 3 per cent from April and 12 per cent from May, 1949. Runs of crude oil to stills rose 3 per cent over April but slipped 6 per cent below a year ago. Employment in manufacturing industries in Texas increased from 330,700 in April to 336,500 in May.

Income from marketing of farm products rose 30 per cent in May, after adjustment for seasonal variation, and for the first

WAR IS WAITING—Pvt. Alvin Essary of Tuscaloosa, Ala., sights in on his super rocket-launcher while Pfc. George Crum of Martin, Ky., loads the weapon. Using the shadow of a South Korean hut for concealment, the two men will wait—perhaps seconds, perhaps minutes, or hours—until the next North Korean armored vehicle appears within the sights of their deadly weapon.

five months of the year income was 7 per cent above the same period of 1949.

The level of all commodity prices has turned upward with

the increase in the demand for goods and services, and a certain amount of speculation on the prospects of inflation is appearing in the financial news.

Art Newcomb Chosen As Angus Leader

Art Newcomb of Hamlin has been elected to membership in the American Aberdeen-Angus Breeders' Association at Chicago, Illinois according to a report from the Association headquarters.

Newcomb the report continues, was one of 11 purebred Aberdeen-Angus breeders from Texas elected during the past month to a membership in the organization.

United States President John Tyler was the father of 14 children.

Sierra Nevada, in English means snowy range.

The sharp upturn in the wholesale price index of the Bureau of Labor Statistics measures in general the effect of those inflationary factors. The weekly price index rose steadily during May, and the estimate for the May monthly index is 156 as compared to 153 for April.

COTTON QUIZ

HOW MANY PAIRS OF MEN'S COOL COTTON TROUSERS CAN BE MADE FROM A SINGLE BALE OF COTTON?

ONE BALE OF COTTON SUPPLIES ENOUGH MATERIAL FOR 250 PAIRS OF TROUSERS.

San Antonio Livestock Show Is Announced

According to a report to The Herald this week the second San Antonio Livestock Exposition will begin February 16 thru 25. It will be held at the Bexar County Coliseum. It was stated to be a better show than last year's, with many more attractions.

"Doodlesack" is a colloquial name for bagpipes.

The largest North American rodent is the Beaver.

Decline Shown In Jones July Marriages

Marriages in July for Jones County showed a 50 per cent decline under the monthly average of 20, according to records of County Clerk Herbert Rowland.

Only 10 couples received licenses during July. They were: Lonnie Elzy Jordan and Omega Lee Tatum; James William Meador Jr. and Dorothy Ann Harrison; Curtis Hill and Miralyn Frances Oliver; Kenneth Elwood Lantrip and Mary Kathryn Stephens; Marvin Lee Dunlap and Elma Louise Foss; John Thomas Fleming and Viva Mae Brewer; Ted W. McAninch and Wanda Joyce Brewer; Tommy Dale Richey and Dorothy Gene Huling; Elmer Edward Pendley and Margie Dean Eslinger; Roger Q. Garrett and Ruth Eleanor Francis; Danny Ben Myers and Joyce Lee Baucum.

Mrs. Georgia Moore of Hamlin was a houseguest last week of her brother, Ira Moore, and family, of Sweetwater.

During the first year of a child's life he grows more rapidly than at any other time.

Mrs. J. J. Crowley of McCaulley was a medical patient in a Rotan hospital last week.

Livestock Shipping Lags 37 Per Cent

Texas livestock shipments, totaling 6,250 carloads in June, lagged 37 per cent from May, according to a report received by The Herald from the University of Texas Bureau of Business Research.

Sheep shipments slid 45 per cent during the monthly period, while reductions were also recorded in shipments of cattle, 39 per cent; hogs, 29 per cent; and calves, five per cent.

During the first six months of 1950, livestock shipments edged upward 12 per cent, as compared with the January-June 1949 period. Sheep shipments stepped up 26 per cent during the first half of 1950 as compared with the same period of 1949. Other comparative increases were reported in shipments of hogs, 16 per cent; cattle, 10 per cent; and calves, four per cent.

June interstate shipments plus Fort Worth dropped 38 per cent from May. During the first six months of 1950 interstate shipments plus Fort Worth soared 15 per cent as compared with the same period of 1949.

Maine is bordered by only one other state.

Hamlin Births

Born to Mr. and Mrs. Earnest Patton of Hamlin, a daughter, in Hamlin Memorial Hospital, August 10. She has been named Diana Lynn.

Born to Mr. and Mrs. A. W. Cooley of Hamlin, a son, August 11 in the Hamlin Memorial Hospital. He has been named Tommy Ray.

Born to Mr. and Mrs. J. B. Neill, a daughter, August 13 in the Hamlin Memorial Hospital. She has been named Teresa Ann.

R. A. Woods of Clovis, New Mexico is visiting in Hamlin this week with Mrs. E. A. Woods and Mrs. M. P. May.

A farm lad who took a job in the big city returned home a few months later to report he was flat broke in spite of the big pay. He said, "Most of my money I spent on women and whiskey. The rest I just wasted."

Peanuts Get Support Price from Ag Dept.

Jones County farmers will be interested in a report received Tuesday by The Herald from the Agriculture Department announcing that it will support grower prices of 1950 crop farmers stock (unprocessed) peanuts at a basic rate of 10.8 cents a pound or about \$216. a ton.

These levels are designated to assure growers 90 per cent of the parity price of peanuts as required by law.

Last year's crop, as most will recall, was supported at 10.5 a pound as basic rate or \$210. per ton.

Price supports will be limited to each farmer's marketing quota.

Under the quota program designed to prevent over production, a farmer must not harvest peanuts in excess of the 1947 picked and threshed acreage for his farm.

Valhalla, in Norse mythology was the heaven of heroes.

MALE BAIT—Hollywood film actress Marie Wilson, often and accurately referred to as "The Body," was picked by a bathing suit manufacturer as the girl best qualified to model the new, latest addition to his line, a suit labeled "Male Bait." Marie is plenty used to new lines—but not of bathing suits.

Sanders Reunion Gets Large Attendance

Annual Sanders' Reunion was held at Seymour at the Park, Saturday and Sunday. A total of 486 guests registered and several other failed to register.

Approximately 50 towns were represented and several from out of the state were present.

According to a report, Hamlin was well represented.

Dinner was spread on seven tables.

Entertainment besides visiting included swimming in the pool, and baseball.

Young Adults Class Methodist Church Feast, Elect Officers

Young Adults Class of the Hamlin First Methodist Church held a watermelon feast at the Old Lake last Friday.

Officers were elected at the business session. They were: W. L. Hunter, president; George Wiebel, vice president; Mrs. W. T. Johnson, secretary and Mrs. Jerry Waggoner, reporter.

There were 25 members present for the feast.

The trouble with most of us is that our necessities are too luxurious and our luxuries are too necessary.

June Farm Cash Income Shows Small Gain, Below Seasonal Expectations

June farm cash income in Texas was substantially below the seasonal expectations, despite a small gain over the previous month, according to a report to The Herald from the University of Texas Bureau of Business Research.

After adjustment for seasonal variation, the Bureau's Index of farm cash income dropped from 276 in May to 218 in June (1935-1939-100 per cent). The June 1949 index stood at 341.

Texas farmers received an estimated \$87,067,000 in June, or 35 per cent less than in June 1949. With the exception of livestock, marketing of all farm products was smaller in June than in the same month a year ago.

Cattle sales amounted to \$21,125,000 in June, the greatest source of farm income for five consecutive months. Wheat accounted for \$19,356,000 in June, reflecting heavier movements. Wool sales totaled \$12,365,000. All types of farm products, except wheat, oats, wool and milk products, registered decreases in revenue from the previous month.

June income was considerably above the May level in East Texas Timbered Plains, 120 per cent; Western Cross Timbers, 93 per cent; Black and Grand Prairies, 63 per cent; Red Bed Plains, 59 per cent; and Edwards Plateau, 27 per cent.

On the other hand, May-to-June declines in farm income for seven of the 12 crop-reporting districts ranged from three per cent in the Edwards Plateau to 71 per cent in the Lower Rio Grande Valley.

In comparison with June 1949 figures, all crop-reporting districts shared in the general decline in June.

Northern High Plains recorded the biggest reduction in farm cash income in June from the comparative level of last year—78 per cent. Red Bed Plains had a 51 per cent drop, and income fell 42 per cent in the Black and Grand Prairies; 40 per cent in the Southern Texas Prairies; and 38 per cent in the South Texas Plains.

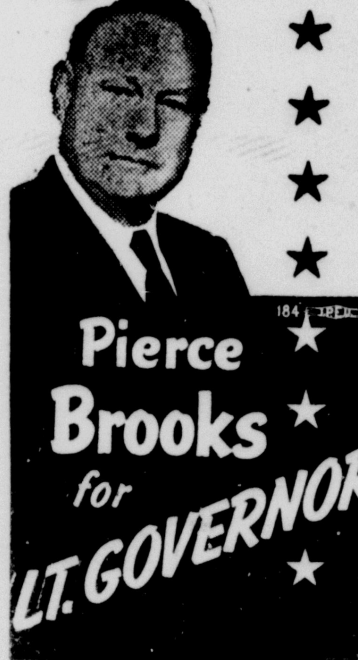

For the first half of 1950, the farm cash income was running six

per cent behind the comparable period of 1949, with only four crop-reporting districts surpassing their year-earlier totals. The Southern High Plains scored a 33 per cent increase, and Edwards Plateau showed a 15 per cent rise. Income for the first six months of the current year was seven and three per cent above a year ago in the Lower Rio Grande Valley and the Trans-Pecos districts, respectively.

Mrs. M. P. May and Mr. and Mrs. Tate May spent the weekend in the mountains of Redwing, Colorado with Truett May of Sauni, California, Dr. and Mrs. Carl Rister, Mr. and Mrs. Frank Johnson and Bob May and family of Colorado City, who were spending the summer there.

Friendship HD Club Hear Bread Talks

Friendship Home Demonstration Club met last Friday to hear a demonstration on "Breads Quick and Easy" by foods demonstrators, Mrs. Grady Smith and Mrs. Roy Brown.

Biscuits were made from a master mix and baked and served with butter and elly to attendants.

Ten members answered the roll call with, "My Favorite House Cleaning Shortcut."

Mrs. D. W. Carlton gave a talk on a famous woman. She chose, Helen Adams Keller, as her subject.

Refreshments were served to: Mmes. J. E. Johnson, Edd Rodgers, Roy Brown, Grady Smith, John Hix, Jack Collins, D. W. Carlton, James Brown, Sol Branscum and the hostess, Mrs. M. S. Johnson.

Mrs. Dave Kelley of Sylvester was a medical patient in a Roman hospital last week.

Dorcas Class Meets In Bevers Home

Mrs. Stella Bevers, Mrs. J. M. McGough and Mrs. James Brown were hostesses to the Dorcas Class of the Hamlin First Baptist Church Wednesday evening in the home of Mrs. Bevers.

Flowers in the class colors of red, white and yellow were used to decorate the living at the business session and program meeting.

Mrs. Davis opened the meeting with a prayer and Mrs. Denton, guest of the class, brought the devotional. Ethel Sue Denton and Raith Simpson, guests of the class, sang, "Jesus Is All." Mrs. J. G. Smith sang, "Christ Arose." Mrs. Music asked questions concerning women in the Bible.

Officers for the coming year were elected as follows: Mrs. Etta Stephenson, teacher; Mrs. Boyd, president; Mrs. J. G. Smith, first vice-president; Mrs. J. M. McGough, second vice-president; Mrs. Davis, secretary; Mrs. Bruner, treasurer and Mrs. Cooper, reporter.

Class colors also were carried out in the refreshments, red cherry punch, chicken sandwiches, angel food cake and banana nut ice cream and bananas were served to 11 members and three guests.

FUR-FETCHED PARASOL—Keeping pace with Dame Fashion can be an expensive undertaking as dealers at the Chicago Fur Industries Fashion Show proved by displaying this mink-trimmed parasol. Basking in the expensive shade of the fur-fetched creation is Betty Cagney, who gave visiting department store owners a knowing wink when they discussed the "high overhead" in their business.

OF INTEREST TO WOMEN

She Who Stoops, Can't Conquer

A forward and backward swing, as far as the arms will reach each way, helps her achieve an upright but easy and relaxed posture.

"THERE is nothing like a dame. . . . Particularly one who has poor posture. Chic clothes and a trim figure may bedazzle a man but not for long if you're one of those women whose droop has become a stoop.

One of the best ways to find out if you're keeping up a good back—and not merely a good front—is to consult your mirror. Does your posture radiate alertness? Do you appear vibrant, bouncy and animated? Or do you have that sagging jellyfish stance that's sure to dismay beau or hubby?

If your mirror reveals curves in the wrong places, try these exercises, designed to help you achieve an erect but natural posture.

Begin by holding your arms straight at your sides. Lift them to shoulder level and swing them forward until your hands meet; then reverse the motion and swing your arms backward as far as they will go. Do this several times each day to relax and loosen your shoulder muscles.

A second set of muscles can be put into play by swinging your arms to an overhead position. This movement, which should be smooth and well-coordinated, is made up of three steps.

First lift your arms from a dangling, hands-at-high position to a vertical reach above your head. Stretch them as high as they will go. Then suddenly relax your elbows, allowing your hands to bounce lightly upon the top of your head. The final step is to fling them outward, and then downward again to their original position.

After a few weeks with these exercises, your carriage will express a determination to conquer all and your new attractiveness will cop a host of compliments.

This young woman, whose carriage expresses the verve and vigor she feels, bounces her hands lightly upon her head as one step in a stretching exercise.

Engagement of Couple Announced in Kansas

Mr. and Mrs. D. H. Barton, of 1540 South Broadway, Wichita, Kansas, announce the engagement of their daughter, Donna Mae, to Arthur Tom Carlton, son of Mr. and Mrs. Marvin E. Carlton of Hamlin. The wedding will take place September 1 at Wichita.

Miss Barton is a graduate of North High School in Wichita and is now employed by a Wichita firm.

Mr. Carlton is a graduate of Hamlin High School and attended Texas Tech. He is now employed at Boeing Aircraft in the Wichita branch.

The couple will be at home in Wichita.

Peggy, the pigeon, was just as disappointed as her master about getting the bird from Moscow.

Bobbie Jack White Saturday Bride of Herbert Lippe at Miles

Mr. and Mrs. Jack White are announcing the marriage of their daughter, Bobbie Jack, to Herbert Lippe of Miles.

Ceremony took place Saturday at the Miles Lutheran Church at 7:00 p. m. Rev. Harold Muffley officiated at the double ring ceremony.

The couple was attended by Mr. and Mrs. Albert Lippe, brother and sister-in-law of the groom.

The bride wore a navy blue dress with navy and pink accessories. She also wore a corsage of pink carnations.

Mrs. Albert Lippe was dressed in fuchsia with white accessories.

The bride is a graduate of the Hamlin High School and is employed at the Hamlin Memorial Hospital.

The groom graduated from Miles High School and served in the Air Corp during World War II. He is now employed by the Continental Oil Company's seismograph crew in Hamlin.

The couple left for a short honeymoon to Kerrville and will

**PRIVILEGED PARKER** — Ninety-nine-year-old John Griffith
can park any place he wants to now—even in no parking zones.
The city fathers of Red Cloud, Neb., passed an edict recognizing an
established fact for the oldest has been parking his 21-year-old
car in taboo zones ever since he can remember.**Dr. Cox Gives Instructions To Prevent
Spread of Polio Through Hygiene Rules**In addition to the general in-
structions for community sani-
tation which are important in
preventing poliomyelitis, Dr.
George W. Cox, state health of-
ficer, today issued an urgent
warning to every individual in
Texas to practice strict personal
hygiene to protect his own health
and that of those about him."Of course, cleanliness and
personal hygiene are ordinarily
taken for granted," Dr. Cox stated,
"but at this time with the
incidence of poliomyelitis having
reached a total of 1,395 cases, I
would like to re-emphasize some
personal sanitary measures that
may help in preventing the
spread of this crippling and of-
ten fatal disease."The State Health Officer also
stressed the importance of scrup-
ulous cleanliness of the person.
Frequent bathing and immacu-
late clean clothing are vitally
necessary. Oral hygiene with
thorough brushing of the teethand the use of a mild antiseptic
are recommended. The nasal
passages should be kept clean
and dental defects corrected im-
mediately.Sanitation and thorough clean-
liness in the home are instinctive
with the average housewife, but
at this time their importance to
health must be re-emphasized.
Home sanitation includes those
taken-for-granted measures as
washing the dishes in hot soapy
water and rinsing them in hot
clear water; keeping sinks, bath-
tubs and fixtures scoured clean
and rinsed with a mild antisep-
tic solution; sunning and airing
bed clothes, ridding the home of
flies, rats and roaches which,
since poliomyelitis is believed to
be a filth-borne disease, are sus-
pected as being responsible for
transmission."If good personal hygiene is
combined with good commu-
nity sanitation and hygiene, it is hard**POLITICAL

District Court Has Heavy Docket Ahead

Seven divorce cases have been added to the docket of the 104th District Court during July according to a report received by The Herald.

Next term will open September 4 and a grand jury will be empaneled by Judge Owen Thomas to investigate several cases, according to District Clerk, Leon Thurman.

A murder charge against Elidio Ramirez, 23, Mexican farm worker, will draw first attention from the grand jurors. Ramirez is charged with the fatal stabbing last month of another Mexican, Rosalio Morlez.

Other cases will include a heavy civil docket of title and workman's compensation so concluded the report.

Old Age Assistance Worker Coming Here

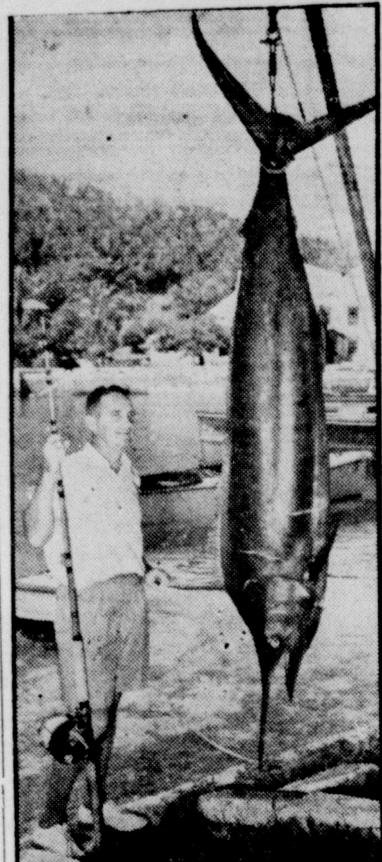

L. B. McFarland, field worker of the State Department of Public Welfare of Anson announced that he would be in Hamlin the first Tuesday afternoon in each month to assist anyone with their old age and public assistance.

He stated, "In cases where necessary for changes of address to be made on account of the new city mail delivery, please write to the local office at Anson other than to the state office for address changes."

Felon From Jones Granted State Pardon

A conditional pardon has been granted by Governor Allan Shivers to C. W. McLaughlin last week according to a report to The Herald.

McLaughlin, who was sentenced to two years on two charges of forgery in Jones County and a charge of theft by bailee in Taylor County was paroled to Bexar County.

DARLIN' MARLIN — Louis Mowbray, well-known game fisherman and curator of the Bermuda Government Aquarium, hauled in this 254-pound blue marlin off St. David's in Bermuda. The 9-foot, 5-inch denizen of the deep probably wouldn't have struck had he known that Mowbray is the world record-holder for bonefish in the six-thread class.

Santa Fe Carloadings Show Slight Increase

Santa Fe System carloadings for week ending August 5, 1950 were 23,841 compared with 22,383 for same week in 1949. Cars received from connections totaled 173 for same week in 1949. Total of 13, 248 compared with 10, cars moved were 37,089 compared with 32,556 for same week in 1949.

Santa Fe handled a total of 35,881 cars in preceding week of this year.

Oology is the study of the science of bird eggs.

August 14 and Malcom White, August 10. Surgery patients since last week's report were: Mrs. Lee Currant, August 10; Mrs. Glen Williams, August 14; Mrs. B. O. Bell, August 12. Patients dismissed since last week's report were: Viola Avants, August 9; W. T. Stapler, August 11; James Beene, August 10; John Eddy, August 13; Dorothy Crocker, August 12; Mrs. Gene Robinson, August 13; B. M. Denila, August 9; Mrs. L. B. Meeks, August 14; Joyce McCain, August 11; Mrs. A. E. Johnson, August 11; Mrs. Lewis Woolf, August 12; Mrs. J. B. Neill, August 12; Mrs. Bell Young, August 10; Cliff Bryant, August 15; Margaret Bolden, August 15; Delores Carter, August 15; Mrs. L. E. Scitern, August 14; Malcom White, August 12 and Mrs. B. O. Bell, August 13. "I have a dog that growls, a parrot that swears, a fireplace that smokes, and a cat that stays out all night. Why should I want a husband?" the spinster says.

Scratch Dallas Is Slogan of Political Activities Group

A "scratch Dallas" campaign in the August 26 run-off election has been organized on a state-wide basis, Emmette Alexander of Marble Falls announced today. Alexander, a businessman and civic leader who is sparking the drive, described it as an effort to decentralize the power held by Dallas County in state government and to strengthen representation of other areas in the government.

He noted that four out of five run-offs in the election have candidates from Dallas County.

"As a plain citizen interested in good government, I firmly believe that one big city should not be given that much representation," Alexander said.

The four run-offs which have Dallas candidates are two for the Supreme Court, one for the Court of Criminal Appeals and the Lieutenant Governor's race. In the Lt. Governor's race are Ben Ramsey of San Augustine County in East Texas and Pierce P. Brooks of Dallas County. W. A. Morrison of Milam County in Central Texas and Robert L. Latimore of Dallas County are campaigning for a place on the Court of Criminal Appeals.

In the Supreme Court races are Fagan Dickson of Bexar

County in South Texas and Will Wilson of Dallas County, contending for Place 1, and Meade F. Griffin of Hale County in the Panhandle and George W. Harwood of Dallas County, both seeking Place 3.

"There are already five justices on the Supreme Court whose homes are within 128 miles of Dallas," Alexander said. "If the two Supreme Court candidates from Dallas are elected, then seven of the nine justices on the state's highest civil court will be Dallas representatives."

The "scratch Dallas" drive will be conducted through advertising, news releases, word-of-mouth and personal letters, Alexander said.

Hamburger is so called because it originated in Hamburg, Germany.

Brad Rowland Returns To McMurry Gridiron

Brad Rowland, ranked as one of the nation's leading halfbacks, will again play for the McMurry College Indians, Abilene a report to The Herald stated.

Brad, a Hamlin Pied Piper product, will be playing his fourth year. He is a three-time All-Texas Conference player, twice Most Valuable player in the conference and a 1949 Little All-America first team selection.

Herald has Office Supplies.

"Yankee" comes from the Dutch word "yanku" meaning a snarl.
